

## How long will it take?

Once we have all the relevant information it will normally take a week to get your LPA ready for signing.

It takes the Office of the Public Guardian (OPG) 10 to 12 weeks to register the LPA.

## How much will it cost?

We charge a fixed fee for the preparation and registration of your LPA. There is also an OPG registration fee. Our team will be happy to discuss these fees with you.

## What is a Lasting Power of Attorney (LPA)?

A Lasting Power of Attorney is a legal document which allows you to give someone you trust (aged 18 or over) the legal authority to make financial and/or health & welfare decisions on your behalf, this person is called an Attorney.

### Why do you need an LPA?

An LPA is like a good insurance policy. It is there to protect you should you lose physical or mental capacity in the future e.g. accident, cancer, dementia.

### What do LPAs cover?

- Property & Financial Affairs
- Health & Welfare

### Why bother?

Life expectancy is increasing and the likelihood is that we will all need help to manage our financial affairs as well as our physical and mental wellbeing at some point in the future.

LPAs allow you to stay in control, via your Attorney, even if you are no longer able to communicate your wishes.
